Ultraman Canada Day 1 Race Report

The first day of Ultraman Canada started off with near ideal conditions for the 10km swim in Skaha Lake. With no wind and flat waters it was no surprise that a course record was set. What may have been a surprise was that four women finished before the previous rec After leaving the beautiful conditions of Skaha Lake in their wake, the athletes set out on a 144.8km bike following most of the Ironman Canada course before finishing at Christie Beach in Okanagan Falls. The conditions on the bike were not quite as kind to the riders w In the relay division, Team Dog Tired's Vincent Denis posted the fastest swim of the day with a 3:47:25. However, Team Peach City Runner's cyclist Brian Schroeder had the fastest bike split of the day with a 4:29:07 for a 8:16:32 to move them into first in the relay divis All but one of the 27 athletes that started the day were able to finish in the 12 hour time limit. Harvey Thorleifson of Minneapolis, MN withdrew from the race during the bike portion due to issues with the heat.

Tomorrow's 273.5km bike ride from Penticton to Princeton promises to further challenge the athletes with heat, traffic and wind. Many will need to dig deeper into their inner resources than ever before in order to reach the finish line at Princeton Arena by the 6pm cut Ultraman Canada Day 2 Race Report
